Hi Everyone,

Since I last wrote we have had a few more camps and the photos reflect what a really good time everyone has had. If you don’t have Tiqbiz on your phone can I again remind you to download the App. We have details on how to do it at the office and I’ve asked Michael to include them in this newsletter. It is great to get the photos on the day they are taken and it helps parents who are anxious about their child to be reassured that they are safe and happy. We now have just one more camp event for the year and that is the Junior School Sleepover on 24th November.

I would again like to take this opportunity to thank our wonderful staff. They give up their family time to organise and participate in these events which are so beneficial and fun for our students. They do not get any extra pay when they attend camps or school events after hours.

Lisa and Jayne took a group of our students over the West Gate Bridge to Geelong for “Happiness Cycle” on Thursday 10th November.

8 Students received a Bike, Helmet, Lock and a Bike Light. This was delivered home with them on Thursday. Lisa and Jayne delivered the last student with their bike home after 7pm. The students were so happy and proud of their new bikes.

In addition the organisers gave us 4 beautiful new bikes to use at recess and lunch time.

Sue.

LITTLE TREASURES are:

Shayan - Rm 5, Nathan - Rm 18, Isra - Rm 28,
Oliver - Rm 5, Christian - Rm 29, Hunter - Rm 30.

Congratulations to all our Little Treasures as they continue to keep up their good work in Term 4.

Sportism Kids
We Can Sports

Who are we?
We are a not for profit group based in the Casey/Cardinia area. We run sporting activities and camps for children with special needs, such as Autism, ADHD, Downs Syndrome, CP, or just kids that are struggling to fit in socially.

What ages?
We currently have participants aged 2 - 16

Who can attend?
Any children with special needs, and their siblings. A parent/carer must attend with the children. It is NOT a respite service.

Where?
Gym at Beaconhills College, Pakenham
Enter via Toomuc Valley Rd

Dates
We meet Saturdays 1pm - 3pm
October 8th and 22nd
November 5th and 19th
December 3rd and 17th

We are an inclusive group, so come down and have a try. We give children an opportunity to try different sports they may not otherwise be able to. They can participate and be themselves without fear of judgement or ridicule. We encourage parents to get involved.
No bookings required. Free event, just turn up!
